# GRACE CHRISTIAN COLLEGE

**INTEGRATING ACADEMIC EXCELLENCE  
WITH BIBLICAL TRUTHS TO PRODUCE  
GLOBAL CHRISTIAN LEADERS**

**Accepting New Applicants!  
Limited slots only**

# HISTORY OF GRACE CHRISTIAN COLLEGE

Grace Christian College was envisioned by our Founder, Mrs. Julia L. Tan, more than 20 years ago. After she started Grace Christian High School with Dr. & Mrs. Edwin G. Spahr in 1950, her fervent conviction to develop a complete educational experience for Grace students, from kindergarten, elementary, high school even through college became more intense. And it would offer wholesome character, intellectual, social, physical, and spiritual training to the Grace community.

Now, the vision is becoming reality. Under the leadership of Dr. James L. Tan, the Grace Christian College (GCC) accepts its first students in June, 2008. GCC aims to be a world-class global educational institution, training students who would be servant-leaders of tomorrow. With the recruitment of outstanding faculty with Doctoral and Masters Degrees, development of up-to-date facilities and resources, and linkages with foreign universities and corporations, GCC aims to produce leaders of integrity, who will make a difference in the Philippines, Asia, and around the world.

Most significantly, as a Christ-centered institution of higher learning, the Grace Christian College aims to integrate academic excellence with Biblical truths. Students of GCC will be introduced to God, the Creator of all things, and fountainhead of all knowledge and wisdom.

## GCC endeavors to:

- **PROVIDE** a world-class institution in quality and academic excellence with a Biblical world view
- **PARTNER** with global educational institutions for academic excellence and cultural understanding
- **PURSUE** real world experiences through partnerships with prestigious corporations and institutions
- **PRODUCE** leaders with integrity to impact and transform society
- **PREPARE** individuals with Biblical values to carry out the Great Commission
